___ I authorize my child(ren) to be allowed to walk home from the Program.

I have read the attached H.E.L.P.² Guidelines and agree to the terms in the guidelines. I hereby request that my child be enrolled in the H.E.L.P.² program with Harlingen CISD. It is my child's responsibility to report to the Program and must check in daily. If he/she will attend tutorial or extra-curricular activities, then he/she must check in first with the HELP² Coordinator. If my child intentionally does NOT report to the Program, then he/she will be dropped from the program after 3 offenses.

I understand there is a **\$30 Registration fee** in August and then the remainder of the tuition will be prorated over 9 months at \$75.00 per student, per month. This fee structure is still based on the \$4 per day but prorated evenly over the entire school year. Failure to make payment by the due date may result in withdrawal of student(s) from the H.E.L.P. Program. NO REFUNDS will be given.

A **LATE FEE** of **\$20** will be assessed if payment is **NOT** received by the **3rd day grace period**. (The Late fee is per each child enrolled.) The Business Office will intervene, if needed, if payment is not received by the 4th day.

REGISTRATION:

Registration for the H.E.L.P.² program will occur **prior to the August 23rd school date.** A Parent Request Form, or contract, will be signed by the parent. The Parent Request Form will also authorize who will be able to pick up their child including telephone numbers for each authorized person. The child will only be released to those listed on the Parent Request Form. If the parent wishes to have someone else pick up their child, then it is the parent's responsibility to notify the campus of any authorization changes.

WITHDRAWAL:

Once a parent has signed the Parent Request Form a contract has been entered with the District for the services requested at the agreed monthly fee.

If a parent chooses to stop using the program, any paid fees are non-refundable.

DISMISSAL PROCEDURES:

A sign-out sheet will be placed in a designated area for parents to sign-out their child when they pick them up. This should include the name of the child, the name of the person picking up the child and at what time.

Parents may pick up their child prior to 6 pm and are responsible for making arrangements to pick up their child by 6 pm, if they are unable to do so. Children will **ONLY** be released to authorized people identified on the Parent Request Form. A photo identification card may be requested from those picking up the child. **Students will not be allowed to walk home from the program, unless it is marked on the Agreement Form that you authorize your child to walk home.**

Please note that any child custody issues, or restraining orders, should be brought to the Principal's attention by the parent who will inform the HELP monitors of the situation. Copies of such legal documentation should be submitted to the Principal.

ILLNESSES/ACCIDENTS/BEHAVIORAL PROBLEMS:

In the case that a child becomes ill during the program, the parent will be notified immediately to pick up their child. The Parent Request Form should have different telephone numbers available for each parent, or authorized person to pick up the child. Refer to this form to obtain such information to alert the parent that their child is ill.

If a child is involved in an accident or has demonstrated inappropriate behavior, then an Accident Report or Incident Report will be prepared and shown to the parent as they pick up their child. Both the HELP² Coordinator and parent are required to sign and date the form stating that the situation has been explained to the parent.
