CORPORATE SPONSOR INFORMATION

It is not easy. It is worth it.

Superior education is an investment — not just in dollars and cents, but in time and effort. To maximize the results, students' and parents' greatest investment will be through hard work and determination.

Over 650 families have taken the challenge. **Your sponsorship of this event supports them in their efforts.**

At Westminster Christian Academy we offer...

SUPERIOR EDUCATION

If you are going to invest in the efforts of PreK-12 institution, you want to be sure to invest in a product that is a cut above the rest. In claiming that the education at Westminster Christian Academy is a superior education, we do so because of three important factors. Education at WCA takes the best of tradition and includes a modern delivery undergirded with a Biblical foundation.

TRANSFORMATIVE OPPORTUNITIES

There are lessons that can't be taught in a classroom. The teams, clubs, small groups, and other transformative opportunities at Westminster offer a sort of "laboratory of life" enabling character growth to occur as students "practice" things like working together, serving others, resolving conflict, developing persistence, and much more.

BIBLICAL FOUNDATION

While the Bible is not a textbook for science, math, history, or any other academic subject, it nevertheless is the essential basis for teaching the truth of all subjects. Learning at Westminster Christian Academy is based upon, ruled by, and in harmony with the Word of God.

Embrace the difference.

At Westminster Christian Academy it is not enough for us to be a "better version" of what already exists in educational options. What we offer is different — on purpose with a purpose. **Join us in supporting that purpose.**
