

Children's Day Program 2018/2019 NASET School of Excellence

The Children's Day Program has been accepted as a 2018-2019 National Association of Special Education Teachers (NASET) School of Excellence.

Selection as a NASET School of Excellence is the highest honor a private special education school can achieve through this professional association. The recognition is bestowed on private special education schools that meet rigorous professional criteria and have demonstrated truly exceptional dedication, commitment, and achievement in the field of special education.

The Children's Day Program has been the proud recipient of this honor multiple times over the years, and each year signifies the commitment made by the team members to better the lives of the children and families they support.

Congratulations on being accepted as a 2018-2019 NASET School of Excellence.
