Introducing “Take 5 to Nurture”

Our Shepherd’s brand new **Take 5 to Nurture** (T5TN) program is designed to encourage all at Our Shepherd to make our homes caring, faith-forming centers where forgiveness, trust in God’s Word, and service to others are cherished and lived out. T5TN is a simple, daily process designed to make faith come alive in your home, whether you are a single adult, a couple, a parent, or a child. T5TN is easy to adapt to you, your household, and your lifestyle. Get started! Stop by the “Take 5 to Nurture” table in the atrium and grab a packet. Questions? Contact Mark Nimtz at nimtzm@ourshepherd.net or 248.646.6100 ext. 118.

Life is Better in a Small Group! Join One This Weekend

Every Sunday in October, we’ll have the opportunity to sign up for the church-wide small group study on the book [A Shepherd Looks at Psalm 23](#) by Phillip W. Keller. Look for the information table in the atrium after all services. Josh Gottschling, Mark Nimtz, and Kirk Halstead will be there to answer your questions. No matter what day or time you are available, we have a small group for you. You can also sign up by calling Dr. Mark Nimtz at 248.646.6100, or emailing him at nimtzm@ourshepherd.net. Join with your brothers and sisters in Christ as we gather, are nurtured by God’s Word and one another, and are empowered and equipped to serve with the love and grace our Heavenly Father has given us in Jesus Christ.

And...please hold up all of our small group leaders in prayer as we bless them for service during the 11:00 service on October 14.
