

Steps to Access STAAR Scores:

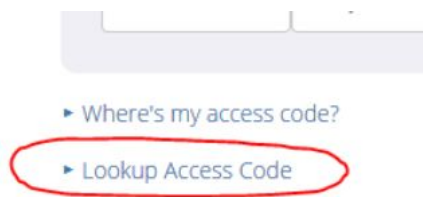

1. Go to www.texasassessment.com
2. You will see a screen like this:

3. Select "Log In to Student Portal."
4. You will see a screen like this:

A screenshot of the Texas Assessment Data Portal login page. The page has a white background with a blue header containing the Texas state logo and the text "Texas Assessment Data Portal". Below the header is a form with the text "Enter access code and student date of birth:". The form includes an "Access Code" input field, a "Go" button, and three dropdown menus for "Month", "Day", and "Year". Below the form are two links: "Where's my access code?" and "Lookup Access Code". A section titled "Don't Have An Access Code?" contains a house icon and the text: "If you don't have a Unique Access Code or a copy of your STAAR Student Report Card, please contact your local school."

5. If you have the access code, enter it here. If you do not have the access code, click "Lookup Access Code."

6. You will then see a screen like this:

[Cancel Lookup Student Access Code](#)

To log in and view your assessment results, enter your six-character Unique Access Code and the student's date of birth that appears on your most recent STAAR Report Card. The code must be entered exactly as it appears.

7. Enter the student's FIRST name only, his or her PEIMS ID, and date of birth. The PEIMS ID is a state ID number, which is either the child's social security number or a PEIMS ID number starting with an S.
8. The code will appear, then re-enter the birthdate information and then click, "Go."
