Meet DLA’s New Media Tech
Laura Tardio

Hello all – my name is Laura and I’m excited to be here at Del Lago Academy as your new Library Media Technician. I’ve always loved literature, technology, and the school environment, which makes DLA the perfect space for me. I have a degree in English and spent six years working in the digital technology industry before finally doing what I’ve always wanted: helping students and parents get the resources they need to succeed. I’m here to answer any questions you may have about your scholar’s iPad and educational assets available through the Academic Commons. I look forward to being a part of your support team at DLA!

Classified Employee of the Year: Mr. Rogelio Ramos-Rojas

Mr. Rogelio exemplifies the spirit of Del Lago’s Core Values and Pillars. He is an outstanding representative of our entire amazing Classified Staff! Congratulations Rogelio! We are so appreciative of all you do on behalf of the scholars, staff, and the entire DLA community.
**JUNIOR INTERNSHIPS**

STARTED FEB. 25TH AND WILL CONTINUE THROUGH APRIL 2ND. Junior scholars do not need to report to DLA on those days and should just report directly to their internship. There will be an available study hall for any juniors that choose to come to Del Lago before or after their internship to work on school assignments. **SEE SCHEDULE BELOW!**

Reach out to Karen Parker at kparker1@euhsd.org with any questions.
