Superintendent Search Update from the Honeoye Board of Education

Dear Honeoye Community Members,

As you know, Mr. David Bills was recently appointed superintendent of the West Genesee School District, effective September 1, 2019. We wish him well as he begins this new stage of his career.

On July 31, 2019, the Honeoye Board of Education appointed Mr. Thomas Cox to serve as our interim superintendent. We are pleased to have Mr. Cox working with us.

On July 10, 2019 the Honeoye Board of Education appointed Dr. Vicky Ramos, District Superintendent of the Wayne-Finger Lakes BOCES, as our superintendent search consultant. In this role, Dr. Ramos and her team will be facilitating the Board in one of their most important responsibilities – hiring a superintendent of schools.

Community input is a very important part of a successful search so we have provided a few ways for you to participate.

- A superintendent search survey will seek your input on the qualities that you look for in a new superintendent. Once available we urge you to access this survey tool on our web site www.honeoye.org or pick up a hard copy in any school office. Thank you in advance!
- Please be on the look out for information on an upcoming community forum. It will be hosted by Dr. Ramos and her team to share the process that the Board is using to recruit and select a new superintendent. You will be able to get questions answered at that time, including how you can participate in the process.

- The Board will use the input from stakeholder interview committees for the finalists as we make our decision. Please consider being a part of the community interview committee. Contact our board clerk, Jennifer Green, at 585-229-4125 or email to jgreen@honeoye.org.

Using your input, we (the Board) will develop the list of qualities that we want to see in candidates and use this information as a basis to conduct our initial interviews. While the selection of a superintendent is the Board's decision, your participation and contributions are a very important part of this process.

We are eager to have your feedback and appreciate your involvement as we work to select a high quality superintendent for the Honeoye Central School District.

Sincerely,

Keith Stumbo,
Honeoye CSD Board of Education President
