

# Math Acceleration 2019-20

El Segundo Middle School

## Acceleration Criteria

To enroll in an accelerated math class:

Students entering into Grade 6 must meet all of the following criteria:

- Score 85% or higher on the 6th Grade Placement Test
- 3 or above in 5th Grade Math
- Score of 4 on CAASPP Math Assessment

Students entering into Grade 7 must meet all of the following criteria:

- 90% in the second semester of prior year
- Score of 4 on CAASPP Math Assessment

Please note:

- It is recommended that students maintain a test average of 80% to be successful in the respective accelerated math class.
- The math teachers of students not meeting this recommendation will schedule a conference with students' parents (and student) to discuss strategies for improvement, and provide reasonable time for such.
- A student and their family may request that they be removed from an accelerated math class.
- A teacher may make a recommendation directly to the parent of a student if it is in the best interest of the student to be removed from an accelerated math class. Prior to such a recommendation, a parent-teacher conference must be held to provide strategies and reasonable time for improvement.
