

**The Altoona Area School District has two ways (see below) to register your child for Kindergarten in the 2020-2021 school year. Please note the change in the registration cut-off date. Kindergarten children must turn 5 years old on or before September 1, 2020.**

- 1. ONLINE ~ Kindergarten Registration can be completed ONLINE. Visit [www.aasdcat.com](http://www.aasdcat.com) to begin the registration process. Upon completion of your on-line registration, you will be invited to attend an event and finalize the registration at your perspective home school in March. Please call that school to schedule your appointment time. If you are unsure of your home school, please contact Student Registration at (814) 381-7585 or (814) 381-7586.**
- 2. HARD COPY PACKET ~ Kindergarten Registration can be completed with a HARD COPY PACKET. You can download and print this packet by going to [www.aasdcat.com](http://www.aasdcat.com). If you do not have access to a printer, please stop by any local school to pick up a packet and get started early. If you do not start early, you can fill out the packet at your perspective home school at the registration event in March. Please call that school to schedule your appointment time. If you are unsure of your home school, please contact Student Registration at (814) 381-7585 or (814) 381-7586.**

**All registrations will be finalized following the schedule on the back of this form. Please attempt to attend at your respective home school. If you are not able to attend at this school, you may attend any event by calling to schedule an appointment. Children should attend to meet the Kindergarten teachers and many other important people from the school. They will also leave with a bag full of goodies to help with preparing for the upcoming school year.**
