

Amendment # 2
Solicitation # 12169
Reroof District Office
2/7/2019

1. Paragraph 6.0.4 REVISED:

6.0.4 EVALUATION FACTORS – BEST VALUE BID:

Proposals will be evaluated by a Selection Committee based on the evaluation criteria listed in the Section below. Each proposal will be evaluated both objectively and as compared to the other responses. All proposals will be reviewed for purposes of determining responsiveness and responsibility. Any proposal that does not meet the essential requirements of the BVB and the Owner will be deemed non-responsive. The Selection Committee may consist of representatives of the Project Team and any other persons appointed by the Owner. **Proposer should not attempt to contact members of the evaluation committee during the period of the solicitation. Violation of these restrictions may result in disqualification of your offer, suspension or debarment, and may constitute a violation of the State Ethics Act.**

To determine responsibility, all information given by the proposer concerning its availability to perform fully the contract requirements, including the integrity and reliability of the proposer, will be reviewed. The submission of a proposal for review does not necessarily qualify the proposer or proposal as being responsive or responsible. Failure to provide specific information as requested, for use in the evaluation, may cause a proposal to be disregarded.

Offerors will be evaluated using only the factors stated below. Once evaluation is complete, all responsive Offerors will be ranked from most advantageous to least advantageous.

a) **Cost – 60%**

b) **Vendor expertise with engagement of similar scope and complexity – 20%**

d) **Delivery reliability and start – finish schedule. – 20%**
