Application Cover Sheet

Your child is applying for admission to College Connection Academy, CCA. CCA is an accelerated program for grades 7-12. Students who are accepted into the CCA program are expected to attend summer school at the end of their 6th, 7th, and 8th grade years to catch up or to accelerate. If I am accepted into CCA, I may be taking high school classes in 7th and 8th grade. I also understand that I will be taking college classes at Evergreen Valley College during the program. I will ensure my grades are in good standing to take those classes. In order to remain and succeed in this program, I will be graduating from high school with my A-G requirements completed, as well as at least a year of college courses completed.

I/We, _____, the parent/s of _____, understand that my/our child is applying for an advanced program that will require a lot of work. I/We are in agreement with this application and will support the student throughout the program.
