Dear Parents,

On behalf of the Board of Directors, administration, and staff, I would like to invite you to participate in the Statewide 24-hour Fundraiser called “Do More 24 Delaware” the fundraiser will take place on Thursday, March 5th at 6:00 p.m. and end Friday March 6th at 6:00 p.m. This statewide 24-hour day of giving is sponsored by United Way and Spur Impact, which over 200 non-profit organizations in Delaware have registered to participate. Gateway Lab School has a three-fold goal for participating in the fundraiser. First, we aim to have 100% participation from parents, staff, and friends, secondly, we are eager to bring awareness to the local community about Gateway and third we would like to raise 5K. All funds raised will go to our general fund which is used to pay for enrichment programs for our students, such as visiting artists in residence, supplies and equipment for art and music programs and field learning experiences.

Every dollar Gateway raises using the statewide portal will be matched by the sponsoring organizations. In addition, there will be other incentives offered to non-profits if they attract 25 donors within the first hour of the fundraiser. I am writing to ask for your help and support to help Gateway meet or exceed our fundraising goal. To participate in the fundraiser, your donation must be at least a minimum of five dollars. For your added convenience you may click on the link below to donate, for added support please feel free to share this link on your social media platforms (Facebook, Twitter, LinkedIn, etc.) with your family, friends, and colleagues.

https://www.domore24delaware.org/fundraisers/gladiators-give-more-in-24

I am confident that if we work together like we did to renew the school’s charter, we will exceed our goals that have been set. What an awesome opportunity to invest in your child and to teach your child about the power of giving and the spirit of generosity. Thank you in advance for your participation and support of the Gateway Lab School Gladiators.

Kind regards,

Joyce Dennis Henderson
Board President & Community Director
