

HARRISON
ELEMENTARY SCHOOL

Harrison Elementary PTO

Harrison Elementary PTO loves and supports the staff and students of our school. We do fundraisers to provide supplies that the teachers may need and have multiple activities throughout the year for the students. This is not possible without volunteers.

Our current PTO President is Valerie Bundy, Rieanne King, Treasurer and our Secretary is Andrea Taylor. Anna Knudsen is in charge of the Box Top collections. We are looking for volunteers to join us. We always need additional volunteers throughout the year to help on specific events. We meet monthly on the 3rd Thursday at 4:00 p.m. and would like to see more parents there.

One major way that we communicate with our parents and staff is through our Facebook Page. If you are not part of the group please search Harrison Eagles Parent and Teacher Organization and request to be added.

Other forms of communication include text and email from Harrison Elementary (the Secretaries will send these out for us) and flyers sent home with your students. Please make sure that your email and cell phone numbers are updated, so that you receive the information that you need.

Help us earn money by collecting BoxTops. If you don't like to clip and save you can download their app and scan your receipts (Details on the back). This is an easy way for us to earn extra cash, \$.10 adds up.
