Assistant Principal

## Dear Rolling Hills Families:

Team Excellence welcomes you to the 2019-2020 school year!

Our experienced educators are prepared to compassionately receive and enthusiastically grow student leaders who achieve self-sustaining success. We are fiercely *committed* to doing common things in an uncommon way.

I encourage you to visit the campus to witness children engaged in data-driven lessons that prompt inquiry and curiosity. RHE scholars have opportunities to seek solutions, communicate ideas, and challenge thoughts. Together, as a community of parents, educators, and learners, we *will* mold the future.

As a proud graduate of Lancaster High School, I am dedicated to inspiring a new generation of Tigers.

Cherish Pipkins, M.Ed.  
Passionate Principal  
Rolling Hills Engineering Academy

*RHExcellence is what we do!*

Meet the  
Teacher!
