

## Garrett Library Circulation/ Stats September 2018

We are so excited to have the Accelerated Reading (AR) program this year. It's all about practice. AR encourages substantial differentiated reading practice to create strong readers. Based on each student's independent reading level, AR helps teachers set personalized goals for each student, and guide students to books difficult enough to keep them challenged, but not so difficult to cause frustration. In addition, students earn rewards and acknowledgements for the points they earn by reading each book. Please stop by the library this year to check it out.
