

March 14, 2020

Dear Parents/Guardians,

While the safety of our students is at the forefront of our minds during this time, we also know that students need to continue their education. In the days to come, our core area teachers will be adding assignments through various online platforms (i.e. Google Classroom, Khan Academy, Pearson, etc.) for each student to work on while we are not in session this week. We will be available Tuesday and Thursday of this week from 10:30 - 12:30 at Lansberry Elementary to hand out paper copies of the assignments to anyone that does not have internet access at home. Teachers will be available this week via email or through various messaging apps they may already use to answer any questions you may have regarding assignments. If you have not already done so, please follow Trinity High School on Facebook so that you will have the most up-to-date information.

If you have any questions, please feel free to email our Assistant Principal, Kimberly Niedermeier at kniedermeier@trinityisd.net. Thank you for your patience and understanding during this time. We look forward to seeing each of you soon!

Sincerely,

Eric Kelley
Principal
