

IMPORTANT REMINDERS FOR COACHES/GYM PATRONS

1. Youth must be supervised at all times. The presence of non-participating siblings is discouraged. If siblings must be in attendance, then they must stay in the gym under the coach's supervision at all times. **No venturing into the hallways or other rooms of the school.**
2. No food or drink in the gym.
3. Use of the bleachers require prior authorization and so we can notify the custodian to assist you.
4. Do not use any tape or markers on the floors or walls.
5. **Outdoor sports (football, baseball, softball, soccer, rugby, etc.) may use the gyms for conditioning purposes only – NO EQUIPMENT IS ALLOWED, which includes soccer balls, baseballs, softballs, bats, mitts, etc.**
6. Please pace your group's arrival at the school with your assigned gym time. Do not intrude on the group using the gym prior to your time. Likewise, please have your group off the court when your assigned time is over.
7. Please carry your schedule confirmation with you to the gym each time you use your scheduled gym time. If a conflict should arise with another team, please see the night custodian.
8. The priority of gym use is:
 - School and District events
 - Community Education
 - Supervised youth athletic/recreational groups

The safety of all gym users is the primary consideration, followed closely by concern that no harm is done to the gym, surfaces, fixtures or equipment. Continued violation of any of the above could result in gym use cancellation.
