Dear Independence High School Families,

Welcome to Independence High School's web page. It is our mission to meet students' needs by providing a rigorous and individualized academic program and access to all support services.

It is with great enthusiasm that I welcome you back for the new school year. I am truly honored and humbled to be your Principal, and I look forward to working with all of you to make this school year successful.

Independence High School, home of the Eagles, is an Alternative Education Program in the Alhambra Unified School District. Independence High School serves students from the 3 comprehensive high schools in the Alhambra Unified School District. It delivers rigorous and individualized academic programs by a caring, student centered faculty and staff. Students have the opportunity to master high school graduation requirements in an independent learning environment. Partnerships with local California community colleges have enhanced the instructional experience at both schools and have built connections to post-secondary endeavors for each student. Both students and staff take great pride in our school and its accomplishments. We are located inside the Century High School campus. We welcome you and invite you to join our pursuit of excellence.

Finally, the faculty and staff look forward to a productive partnership with you and your student to ensure they achieve their highest potential in the upcoming school year. We thank you for your support and look forward to meeting you and working with you to support your student. If you have any questions, please do not hesitate to call my office at 626-943-6681.

Once again, thank you and let's make this a great year!!!!

Sincerely,

Phuong Nguyen

Principal
