Please indicate how you will assist at our Track Meet on Sunday, June 9th at St. Joe's. At least one member of each family is required to help out in some capacity. The track meet raises ~\$4,000 but it takes many people (at least 50) to make it successful. Parent attendance is needed all day- ~8:00-4:00.

Please review the Track Meet Volunteer form. Please indicate your **top 3** preferred tasks.

Thanks for your support! Brian and I greatly appreciate it and so do the children. It takes a village to run a successful track meet! With many parent volunteers the meet will run more smoothly and your children will then have a positive experience as well.

Event Options

Complete on Registration Form (one for each child)

Relays will be the first event at each meet. So please indicate if they will be there in time so teams can be formed.

New this year, I will assume the events will be the same each week, as stated on the registration form. If I do not hear from you, the events will be submitted as is and there will be no changes to what was previously stated. I will not be asking each week for your event preferences. If you want to make a change, then please let Denise know when you state if you will be attending the meet.

So please review the events with your child carefully and make sure that you and they are all aware of what events have been chosen. If you are unsure then please meet with a coach at practice to determine what events are desired.

The events have changed from previous years so please review carefully.
