

## **Professional Personnel**

### **5:202 Faculty Credit for Teaching Experience**

#### Placement of New Teachers on the Salary Schedule

Newly employed experienced teachers may receive up to 6 full years of teaching credit on the salary schedule of District 94. Each year's teaching credit must be as a full-time teacher who has completed a full year (at least 9 consecutive months) in a public or private school. No newly employed experienced teacher will be placed higher than step 6 on the District 94 teacher salary schedule.

#### Substitute Teaching

Substitute teaching will not be considered as years of teaching experience. ADOPTED: October 9, 2007; February 12, 2013
