

ARISTOI CLASSICAL ACADEMY

January 1, 2018

Dear Aristoi Parents,

Happy New Year 2019! Our January breakfast and lunch menus are now posted on our website for your review under the Parents tab, Child Nutrition. **Please keep in mind that breakfast is served from 7:20-7:40 am at our Lower Campus. Students, who arrive after 7:40 am, will receive a Grab 'n' Go breakfast and will be directed to their class. If you would like your student to receive a hot breakfast, please ensure that they arrive prior to 7:40 am.** This will provide the student with ample time to eat breakfast and to have a great start to their day.

Charge Policy:

As in the past, your student will not be allowed to buy a lunch if their account balance is below **-\$15.00**. A cheese sandwich will be served until the negative balance is paid. **Also, report cards will not be issued until the lunch balance is paid.**

You may make payments through the SchoolCafé website, or you may send payment with your student. Online payment, check or money order are the preferred methods of payment. Please make checks payable to **Aristoi Classical Academy**. If you are sending payment with your student, please have the funds enclosed in an envelope clearly marked with your student's name, grade level, teacher, amount enclosed, and date. This helps to ensure proper posting to your student's account.

To create your student's PrimeroEdge account, go to Aristoi's website, www.aristoi.classical.org. Under the Parents tab, Child Nutrition, you will click on "Online Meal Accounts (PrimeroEdge)". This will bring you to the **SchoolCafé** website; go to "Need to Create an Account"; type the district name "Aristoi Classical Academy"; click "Go to My District"; click "Create a new account". You will need your student's ID number in order to set up your account. Please email Child Nutrition at childnutrition@aristoi.classical.org for your student's ID. Then, follow the prompts to create your student's account. Once you have created the account, you will be able to apply for Free and Reduced Meals, and have access to your student's balance allowing you to make online payments, set up a low balance alert, etc. We highly recommend that you monitor your student's account on a regular basis. Setting up the low balance feature is a good tool to assist you with monitoring the account.

Thank you for all of your support and for entrusting us to feed your children both delicious and healthy meals!

Please contact me at kbegnaud@aristoi.classical.org if you have questions or need assistance.

Kind regards,

Karla Begnaud
