

NESTLE AVE CHARTER ELEMENTARY

BIRTHDAY CELEBRATION APPROVAL FORM

Dear Parents;

We love celebrating your child's birthday here at Nestle, *but* we have some guidelines:

- We can only allow healthy snacks in the classroom (apple slices, carrots, etc), and/or useful educational related items (pencils, erasers, etc.)
- No cupcakes, candy, peanut butter, or other overly sugary treats.
- Birthday activities will be limited to the last 10min of the school day.
- Parents will need to register as a visitor in the main office before being allowed on campus.
- Teacher will need to approve class time for activity, or appropriate alternative day based on instructional needs of the classroom.
- Principal, or designee, will need to approve all items and/or activity.
