E-mail the principal at deborah.ewald@luling.txed.net.

Library Books & Food Service Meal Balances

Most students have practiced personal responsibility and have turned in their library books, paid their library fines, and/or took care of any negative meal balances with Food Services in the cafeteria. This is just another reminder that students who have outstanding obligations will not participate fully in field trips and/or field day activities until obligations have been met. Multiple individual notices as well as phone calls have been made by Library and Food Service personnel. Additionally, teachers and office staff members have been contacting students and parents.

Yearbooks

Yearbooks have arrived. They were hand delivered to all present students today to go home in backpacks. There are only 4 surplus yearbooks which are available in the office for \$25 on a first come, first served basis.

Fifth Grade Photographs Needed

A baby/toddler picture as well as a current photo of our fifth grade Shanklin Eagles should be electronically sent to Ms. MacDonald's e-mail address at kaitlyn.macdonald@luling.txed.net by the end of this week for inclusion in the upcoming fifth grade completion ceremony's slideshow. If you only have actual photographs, you can send them to school and they will be scanned and returned to you in a timely manner.

Track & Field Day

Our Track & Field Day is slated for May 22, 2019. Grades 4-5 will participate from 9:45 a.m. – 11:45 a.m. Grades 2-3 will participate from 12:45 p.m. – 2:50 p.m. Parent and family members are welcome to attend. Check-in will occur at the Fine Arts Building (at the front entrance opposite the high school). Parent and family members will need picture identification in order to receive a visitor's pass via the Raptor Visitor Management System.

Medication

Nurse Tammy Thwing sent home reminders to families that medication needs to be picked in person by a parent by the last day of school. Any medication left at the end of the school year is discarded. Reminders were also sent for parents to provide updated action plans for the next school year for children who have asthma, seizures, diabetes or food/anaphylaxis allergies.

Calendar Information:
