PROUD OF OUR SCHOOLS – CONCERNED FOR OUR CHILDREN

OFFICE OF THE BOARD PRESIDENT

November 2018

Dear Members of the Howell Township School District Community:

As President of the Board of Education and Superintendent of Schools, it is our pleasure to invite you to participate in our Strategic Planning Renewal Committee. This committee will be a focused group of 40 or more community and school leaders. We will work together to identify both the strengths of the school district (those special attributes that we can build on as we move into the future) and the critical issues that we will face (the challenges that the district must be prepared for in the future).

This group will meet for two Strategic Planning renewal days on Friday, February 1, 2019 from 6:00 PM to 9:30 PM and Saturday, February 2, 2019 from 8:30 AM to 3:00 PM at Middle School North. We will work in both small and large groups, and discussion will lead us to a consensus document that will develop goal areas focusing on the future for our schools. The Board of Education will use this document to help shape strategic goals for the district as we move forward.

We are reaching out to the leaders within our community representing all constituencies including teachers, administrators, municipal leaders, community members, parents, senior citizens and students.

We hope that you will offer to participate and will encourage others to do so. If you are available and can commit to **both** dates, we would be honored to work with you on this critical vision-setting project. Please call the Internal Coordinator, Bruce Preston at 732-751-2480 extension 3830 or send an email to [strategicplanning@howell.k12.nj.us](mailto:strategicplanning@howell.k12.nj.us) to let us know if you will be able to join us in this exciting opportunity to assist in shaping the future of the Howell Township School District.

Sincerely,
