TITLE I SCHOOL DESIGNATION PARENT NOTIFICATION

Dear Parent(s)/Guardian(s):

The Elementary and Secondary Education Act (ESEA) of 1965 requires that parents or guardians who have children attending a Title I school be notified of how well their school is preparing its students for college and/or a career, as well as the school's designation status under Georgia's ESEA Flexibility Waiver.

Under the 2015 renewal of Georgia's ESEA Flexibility Waiver, certain Title I schools continue to be designated as Reward, Priority, or Focus Schools. The Waiver allows the use of the College and Career Ready Performance Index (CCRPI) as the comprehensive report card for all schools in Georgia, providing a score between 0-100 for each school—measuring how well the school is doing in preparing its students to be successful in college and/or a career.

For the 2017 school year, our CCRPI score is 68. You can find more about how this score was calculated as well as other detailed information at <http://ccrpi.gadoe.org/2015/>. Our score falls within 3 points of the state average for all middle schools.

I am very proud to tell you that Burke County Middle School has not been given a school designation this year, which means we are a Title I school that is continuing to provide a quality education to all of our students.

Burke County Middle continues to seek methods to ensure our district's mission is fulfilled in our classrooms. It is our goal to ensure that students enter BCHS with the skills needed in order to be successful at that level.

At Burke County Middle School, we take pride in the teaching we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential.

An important part of Burke County Middle School's success is parent participation and support in developing activities to improve student achievement. We hope that you will become involved in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team or have questions about how you can better help your child in school, please contact Erica Daniels, Parent Coordinator at 706-554-3532 or edaniels@burke.k12.ga.us.

Thank you for all that you do to support your child's education.

Sincerely,

Mona L. Reynolds
Principal
