

# Junior Student Checklist

- Meet with School Counselor
- Begin visiting colleges strong in your areas of academic interest. Take notes!
- Attend the College and Career Fair at IUP in October.
- Meet with a military recruiter if interested in military careers and/or academics.
- Continue career exploration with job shadowing, volunteer activities, and/or work experience.
- Take the PSAT/NMSQT
- Register for the SAT test and prepare with study programs and materials, including Khan Academy.
- Update your resume
- Keep up with your course load and focus on one to two extracurricular activities.
- Review application requirements and begin to compile the information you will need.
- Summer: Go for a final visit to the colleges you plan to apply to. Make sure you have application and scholarship information for each college.
- Summer: Start working on college applications to tell admissions departments about you. Refer to the resume builder you have been keeping through high school.
- Schedule to take the SAT and/or ACT.
