

Dear Parents/Guardians,

As of today, February 4th, we have had four emergency closing days. The Archdiocese has given all elementary schools an exemption and we only need to make up two of the four days. Therefore, the **calendar updates** are as follows:

April 22nd - Student Attendance Date (students still will be off on 4/23 and 4/24)
June 10th - 8th Grade Graduation Mass in the morning, graduation in the evening
June 11th - Ice Skating for grades 2-7 (8th grade are invited to attend on their own)
June 12th - Final Day of School/Kindergarten Gradation at 8:30AM Mass
PreK/Kindergarten Dismissal at 11:00
Picnic in the Park for grades 1-7

Several years ago, the School Board created a **Strategic Plan** based on the needs of our school as determined by our parents. The time has come to update our plan, which requires parent input. Please take a few minutes to complete the survey found at the link below. For every family that completes it by **March 1st**, their student(s) will get an out of uniform pass. Just print out the last page, or take a screen shot and send it to me, with the names/grades of your students. The School Board needs your input so we can continue to make improvements in and around the school.
