

Our Kids.
Our Community.
Our Legacy.

An investment in RBEF is an investment in our kids.

The Redondo Beach Educational Foundation (RBEF) is a 501(c)(3) nonprofit organization whose mission is to raise money to supplement state funds for staff and instructional programs in all RBUSD schools. Established in 1991 by a group of concerned parents and community leaders who realized that an excellent school system could not rely on state funding alone, RBEF raises money through its annual investor drive, business partnerships and special events. We believe the best opportunities come from raising the most well-rounded children and supporting **whole child** development.

RBEF fund more than \$1 million in programs and staff that impact every RBUSD student.

What YOUR investment funds:

- **Exemplary Arts Programs** including elementary band and vocal music programs, as well as high school band instruments
