

Please see the important notice below about school closing next week below:

The Governor, RIDE, and RIDOH are moving the Spring Break, from April 13 -- 17, to this Monday, March 16 -- 20. This is to give school staff and central office time to finalize their long-distance learning plans. Plans are due to RIDE by next Thursday, March 19th!

Additionally, until further notice, all extra-curricula activities are suspended, including Interscholastic Athletics.

The Commissioner & the Health Director indicated that the decision to close schools will be made on a week to week basis.

No school next week!!

Our team will be working with a committee of teachers to create a plan for Virtual Instruction as required by RIDE during the coming week and will communicate that with you as soon as possible.

Please be patient as we deal with this statewide emergency. As the Governor has messaged, this is not a time to panic, but to plan and be prepared.

Feel free to call me or administrators with any questions. We'll keep you informed as we learn further information.
