

Decatur High School Parents, Students, and Community!

Welcome to Decatur High School, home of the Red Raiders, built upon the principles of pride, tradition and excellence. I am very honored, excited and blessed to be your principal. We are extremely proud of our school and are glad to have each and every one of you here.

At Decatur High School, we provide a safe, orderly and enriching environment based upon the needs and best interests of our students. Decatur High School has a rich tradition of excellence and I challenge all of you to contribute to your school in ways that will be reflected in the years to come.

The faculty, staff and students at Decatur High School rival any school in the nation. Our faculty and staff are charged with the utmost task: to serve the students of Decatur High School and work hard to support those students in their academic, athletic, art, and leadership endeavors.

Students are encouraged to become involved in the Decatur High School community because it is yours and will be what you make of it. You will find everyone on the staff at Decatur High School to be student focused, committed to their work, knowledgeable about the curriculum they teach, as well as how it is being taught.

Our staff has a heart for the students that are at Decatur High School and want to provide them with a well-rounded educational experience in order to prepare them for global competition. They will work tirelessly on your behalf, but you must commit yourself and be an activist for your own learning and preparation.

I am confident that you will be successful in that endeavor, just as I am confident in our staff of tremendous teachers. Remember, you're not just anywhere, you're at Decatur High School!

Sincerely,

*Dr. Ed Nichols*

Principal

Decatur High School
