March 20, 2020,

CECFC Middle and High School Families,

Refurbished Dell Chromebook's available for purchase for \$199.

To support each student during this new process of E-learning, the CEC community has come together to provide some additional resources to support our student's electronic education. We have some refurbished Dell Chromebook's for sale for \$199 on a first come first serve basis. **There is a maximum of TWO laptops available per family.** If you are interested in purchasing one of these Chromebooks, please [CLICK HERE to complete the required form.](#)

Students that attend the **CECFC Middle School, High School, and our College Direct students out of the Westminster Satellite Office are eligible to purchase these refurbished Dell Chromebooks. Chromebooks will be available for pick up late next week. We will share the specifics with those of you that have input a request and are eligible to purchase a laptop. Westminster College Direct Students, we will work with you on delivery and pick-up of Chromebooks so that you are not travelling to Fort Collins.**

Our allocation of refurbished Dell Chromebook's for each campus is:

Middle School - 11 Chromebooks

High School and Westminster College Direct Students – 33 Chromebooks

We have also compiled some extra resources on home internet. Please see those options below. Starting Monday March 23rd our students will be E-Learning through Microsoft Teams.
