

## Principles & Elements of Floral Design

### -Indian Blooms Club -

---

Dear Teachers and Friends of the Sanger High School Floral Design Class,

The Sanger High School Floral Design class is continuing an aspect of the class that will bring the students additional experience while providing community members a good product at a great price. This program is known as the “**Indian Blooms Club.**” Each month an appropriately themed arrangement will be designed and arranged by members of the Indian Blooms/SHS Floral Design class. This program is designed to give students extra experience beyond the financial limits of the class. The arrangements will be made and sold at approximate cost to you as the consumer. This will allow you to purchase a \$25-\$30 retail arrangement for a \$15.00 wholesale cost. It should be clarified that this is not a fundraiser, but rather a career related student experience with materials being provided by an outside source.

The way you will receive your arrangements will be that a student will call or email you a few days before the arrangements are made to tell you what day and what time your arrangement will be ready. Students will deliver arrangements or may be picked up at the school either by you or a selected representative the day the arrangement is completed.

To participate in the “**SHS Floral Arrangement of the Month Club**” or to order any of our other special products please fill out and return the attached ordering sheet to Sarah Schertz no later than Friday, October 18, 2019. Orders will not be processed until payment is made. (Orders may be limited to a first come first serve basis.)

We appreciate your support of Indian Blooms/Sanger High School Floral Design class. We look forward to a great year ahead.

I invite you to contact me with any questions you may have by emailing me at [sgriffeth@sangerisd.net](mailto:sgriffeth@sangerisd.net).
