

ELMORE PARK MIDDLE SCHOOL

# *pom and dance*

## OPEN CLINICS

Are you interested in trying out for a cheer or dance team,  
but need to build your skills?

Do you need to improve your dance technique, stage  
presence, or performance quality?

Do you just want to dance for fun?

If any or all of these questions apply to you, please join the  
EPMS Pom and Dance open clinic sign-up list. The purpose  
of these clinics is to prepare young ladies who are  
interested in cheer or dance for their tryout day. The cost is  
free. Dates will be announced via email, so you must sign-up  
to attend!
