

Magnolia ISD Parent Canvas Accounts

Magnolia ISD is proud to continue our use of Canvas, a learning management system that allows teachers to have an online learning space for assignments, coursework and resources, and allows students and parents access to materials in a secure online environment. All students in the district have a Canvas account, and we have also linked their parent emails with their accounts. Parents can login to Canvas and are able to see all information and assignments that their teachers have imported to Canvas, and can also set up notifications to be notified when their children have new assignments. Below are instructions to login to Canvas as a parent.

Navigate to the following url: <http://bit.ly/magnoliaisdcanvas>

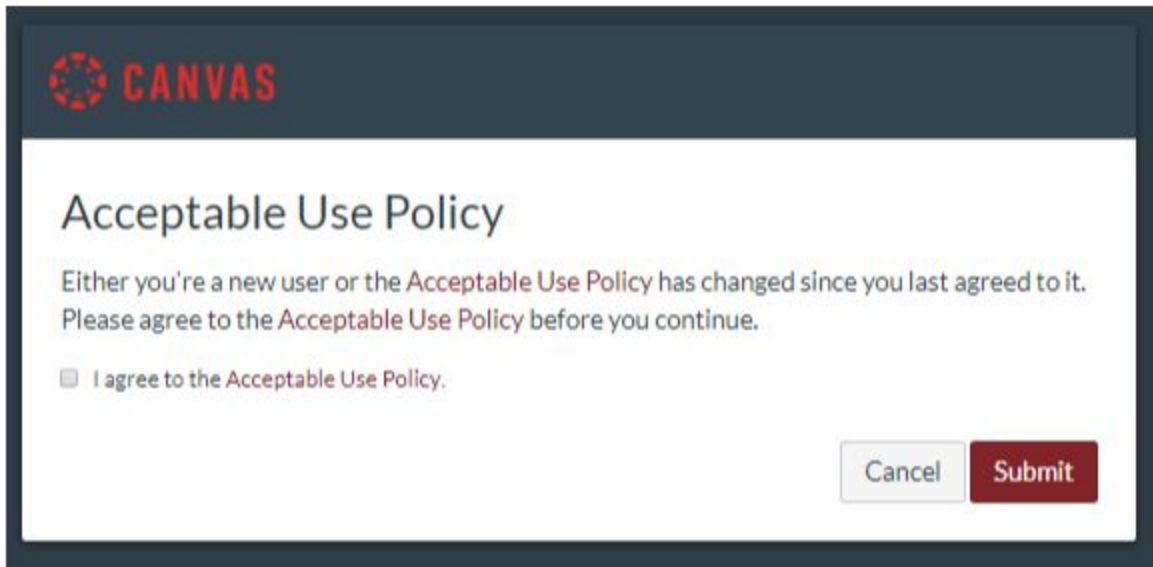

Select the Parents/Guardians link

When you get to the login screen, you will enter your personal email account that you previously provided to the district for parent communications. Your password is misd1234 (we recommend you change it once you login).

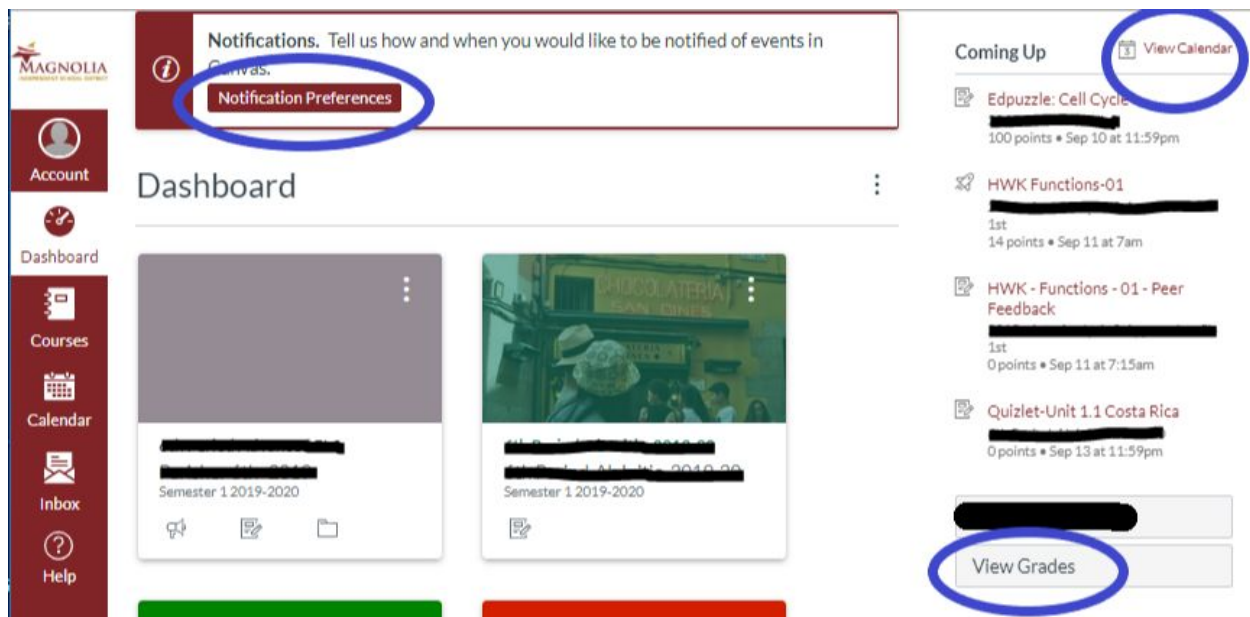

The image shows a screenshot of the Canvas login page. At the top left is the Canvas logo. To the right, there are links for "Parent of a Canvas User? Click Here For an Account" and "Browse courses". Below these are two input fields: "Login" and "Password". There is a "Stay signed in" checkbox and a "Log In" button. At the bottom left, there is a "Forgot Password?" link. At the bottom center, there are links for "Help", "Privacy Policy", "Acceptable Use Policy", "Facebook", and "Twitter". At the bottom right, there is the "INSTRUCTURE" logo.

Agree to the Acceptable Use Policy and Submit.

Once you are logged in, you will see your dashboard. This will include your child's courses (if their teacher has published a course). Take a minute to update your notification preferences so that you can be notified of upcoming assignments and announcements. Notice on the far right-hand side that assignments and activities are listed, including a due date.

Please note that Grades in Canvas are NOT official grades. To see your child's official grades, you will need to log in to TEAMS.
