AutoCAD Software Loading Instructions for
Fundamentals of Design and Drafting, Drafting I and II.

1- Follow the instructions given to login and sync your device as given by the staff members handing out devices.
2- Go to the Windows search and search Software Center. See image below.

3- On Software Center select AutoCAD LT 2018

4- Click Install. It will take 20 to 30 minutes for software to install.
5- Licensing AutoCAD LT. When you open Fusion you will get the screen below.

When you go to open AutoCAD LT 2018, the program will load. There may be some warnings. Click yes or ignore and let the program open. It should license itself. If a window pops up that give the option to use now or to activate license, select use now. We will figure out a way to license it later.
