

COMFORT ISD IMMUNIZATION REQUIREMENTS

For more information click on link below to be directed to the
Texas Department of State Health Services website
<http://www.dshs.state.tx.us/immunize/school/default.shtm>

ATTENTION ALL 6TH GRADE STUDENTS AND PARENTS

All students entering the 7th grade are required by the Texas Department State Health Services to have received the following additional vaccines:

- Tdap
- Meningococcal Vaccine
- Varicella Vaccine - 2 doses or proof of having had the chickenpox disease

Please check with your physician as to which vaccines your child has not received. After receiving these vaccines, please bring a copy of the vaccination record from your physician's office to your campus nurse. Providing proof from your physician's office of these vaccines to your school nurse prior to the end of this school year, will make your student's orientation in August go much smoother. **Please note: students will not be able to receive their schedule and begin the 2018-19 school year until updated vaccination record has been turned in, as per state law.**
