

Mount Calm ISD Chromebook Agreement 2018-2019

I acknowledge that we have received the following documents and will ensure that we have read and understood them, in full, prior to my child receiving their Chromebook.

- Mount Calm ISD Chromebook Guide
- Mount Calm ISD Chromebook Agreement
- Mount Calm ISD Acceptable Use Policy (Included in the Student Handbook)

I understand that, at all times, legal title to the equipment is maintained by Mount Calm Independent School District ("District") and is being loaned to the student for educational purposes for the 2018-2019 school year. The student's right of possession and use is limited to and conditioned upon the student's complete compliance with this Agreement, all applicable Board Policies, and the Acceptable Use Policy.

Student Agreement

As a student, I agree that I will:

- Use my Chromebook for educational purposes.
- Follow the procedures and policies in the Chromebook Guide, Chromebook Agreement, and the Mount Calm ISD Acceptable Use Policy both at school and at home.
- Protect my Chromebook by carrying it securely in my District-issued carrying case at all times and preventing careless or malicious damage.
- Never leave my Chromebook unattended in an unsecure or unsupervised location.
- Charge my Chromebook's battery to full capacity each night.
- At your earliest convenience report all damages to or issues with my Chromebook to the school librarian/media specialist promptly.
- Not alter or attempt to change the management settings on my Chromebook or delete school-supplied software.
- Never share my Chromebook with other students or individuals.
- Not apply any stickers, markings, or other decorations to my Chromebook.
- Return my Chromebook to the school when requested or if I am discharged from the school prior to the end of the school year. Failure to return the equipment in a timely manner will be considered unlawful appropriation of District property.
- Maintain the equipment in a manner to protect it from harm, including: not leaving the equipment exposed to direct sunlight for extended periods of time, avoiding dropping, throwing, or otherwise recklessly handling the equipment; not using the equipment in close proximity to food or drink, or otherwise placing the equipment in proximity to substances, such as liquids of any sort, potentially harmful to the equipment.

I understand that any violation of this agreement may result in the suspension or loss of my Chromebook and school network privileges. Additionally, I may face disciplinary action for such violations.

Parent Agreement

I understand that my family's responsibilities include:

- Ensuring my child meets the expectations outlined in the Chromebook Guide, Chromebook Agreement, and the Mount Calm ISD Acceptable Use Policy.
- Protecting the Chromebook, within reason, against damage, loss or theft while it is at home or outside of school.

In consideration of the privileges and opportunities afforded by the use of Mount Calm ISD technology resources, I hereby release the Mount Calm ISD, its employees and directors from any and all claims of any nature arising from my child's use or inability to use these resources, including but not limited to claims that may arise from unauthorized use of a Chromebook.

I agree to indemnify the District from any claim occurring during or resulting from the student's possession or use of the Chromebook, including, but not limited to any claim for infringement or violation of applicable trademarks and copyrights attributable to the student's use of the Chromebook and any claim of misuse of the equipment, including, but not limited to any claims which may arise from "cyber-bullying" or placing, receiving, or sending inappropriate issues or messages.) However, if my child is deemed by the District to have used the equipment to violate Board Policies, including but not limited to Board Policy FFI, I agree that the District can, among other disciplinary and preventative acts, seize the Chromebook and deny the student further access to the same.

I also understand that it is impossible for Mount Calm ISD to restrict access to all controversial materials and I will not hold the District responsible for materials accessed with a District Chromebook.

I accept full responsibility for my child's use of the Chromebook while not in a school setting and understand that my child's Chromebook use is subject to the same rules and requirements when used off-campus. I understand that my child's Chromebook privileges may be suspended or revoked for violation of this agreement.
