Grades 4-8 Student Homework Club Expectations

Homework Club is a time set aside, after school, for 4th-8th grade students who choose to extend their academic day. The purpose for this extension is for a student to study in preparation for a class or a test, complete homework, and/or ask academic related questions. Students must stay on task and respect others working/studying.

Homework Club is offered Monday-Thursday in the library beginning September 16, 2019. Students are to report to Homework Club no later than 3:35 PM and stay until 4:35 PM. A school staff member will be present to monitor students. High school volunteers are schedule to tutor and assist with homework help.

If a student must leave early, a parent must come to the library to get the student. Students are to bring all materials needed including a silent reading book in the event they finish work early. Students will not be allowed to leave the library once Homework Club has begun.

Homework Club is a time for quiet, individual study. The supervising teacher will answer questions and make suggestions for effective study. It is expected that students who attend Homework Club have a serious attitude and intend to further their academic progress by committing to 60 minutes of quality study time. Students that complete assignments and have nothing to work on will be sent to Extended Care for supervision (parents will be billed for this time).

MCS Staff members will send your child to Extended Care if they are disrupting the quiet work time or have nothing to work on. The principal will be notified of disruptive behaviors and the privilege will be taken away.
At 4:35 the supervising teacher will walk all students out to the quad near the four square courts. Parents are asked to be prompt for pick-up by 4:35PM. All remaining students will be escorted to Extended Day at 4:35PM.
