

NHS IB DP Scheduling Worksheet -- 2021 Cohort

HL 1 _____ Group _____ # of Sem. = 4

HL 2 _____ Group _____ # of Sem. = 4

HL 3 _____ Group _____ # of Sem. = 4

SL 1 _____ Group _____ # of Sem. _____

SL 2 _____ Group _____ # of Sem. _____

SL 3 (or HL 4) _____ Group _____ # of Sem. _____

Note: all full DP students need 6 DP courses in total, with at least one course from groups 1-5; all DP students must have 3 HLs and 3 SLs or 4 HLs and 2 SLs. Anticipated students in the full programme can “test” in as many as 2 SL course in their junior year; all other exams for this grade 11-12 programme must be completed in grade 12, year 2 of the IB DP.

11th Grade

12th Grade

1) Group 1 _____ | _____

The required option here for all NHS students is *English HL Literature (two-year course)*; 2 credits help satisfy English Language Arts graduation requirements (2/4). Acknowledge prerequisites outlined in NHS Course Catalog. Please speak to Dr. Davis if your home language (mother tongue) is a language other than English and have interest in pursuing a bilingual IB Diploma with a *Self-Taught Language SL A* in your primary language other than English (note: this route would assume two Language As). NHS does *not* currently support Pamoja options in Language A.

2) Group 2 _____ | _____

Choose from *SL or HL French, German, Mandarin, or Spanish Language B* (all are two-year courses); new to the 2021, Mandarin will be offered at the SL/HL levels in May 2021. Credits help satisfy World Language graduation requirements (2/2). Acknowledge prerequisites outlined in NHS Course Catalog. Pamoja *ab initio SL French, Spanish, and Mandarin* language B options available (see note below about approval processes).

3) Group 3 _____ | _____

Choose from *SL Psychology (one-year)*, *SL History (one-year)*, or *HL History (two-year)*; 2 credits help satisfy Social Studies graduation requirements (1/3); SL History counts for World History credit and HL History counts for World History and American History credits. Acknowledge prerequisites outlined in NHS Course Catalog. All students need .5 Civics and .5 Economics for graduation. Pamoja *Business Management SL/HL*, *Economics SL/HL*, *ITGS SL/HL*, and *Psychology HL* (year two would follow NHS SL course) options available (see note below about approval processes).

4) Group 4 _____ | _____

Choose from *SL Sports, Exercise, and Health Science (one-year)*, *HL Biology*, or *HL Chemistry*; 2 credits in Chemistry and Biology help satisfy Science graduation requirements (2/3); 1 credits in SEHS will be a 1 credit of Science. Acknowledge prerequisites outlined in NHS Course Catalog, primarily Honors Chemistry for HL Chem. No Pamoja options are available due to lab components.

5) Group 5 _____ | _____

New to the 2021 cohort are revised IB Maths courses; the new courses will read as follows:

- *SL Applied Mathematics (one-year) [note: previously Mathematics Studies, with same pre-req of Algebra 2]*
- *SL Maths Analysis/Calculus [previously Math SL2] (note: new to 2021, this is a one-year course to follow pre-calc; there will no longer be SL1 and SL2, only this one-year SL Analysis course)*
- *HL Maths Analysis (note: new to 2021, this course will be co-listed with AP Calc AB in grade 11 and Honors Calc 2 in grade 12)*
- *SL Mathematics Studies (one-year) will remain an option in May 2020.*

2 credits for H and 1 credit for SL courses help satisfy Mathematics graduation credit. Acknowledge prerequisites from NHS Course Catalog.

6) Group 6/ _____ | _____

Or second Group 2-4

Select *HL or SL Visual Arts (one-year SL course **only** with instructor approval, i.e., approved portfolio and follow-up interview)* as your group 6 option. 1 credit for one-year SL or 2 credits for two-year HL or SL sequence help satisfy Visual, Performing, and Applied Art (VPAA) graduation requirements (1/1 or 2/1). Acknowledge prerequisites from NHS Course Catalog. New to the 2021 cohort for the 2020-2021 school year will be an anticipated one-year *Film SL* course as an additional Group 6 option; more details will be shared during the 2019-2020 school year on this course. Or choose as your group 6 an additional course from groups 2, 3, or 4.

7) Elective (non-IB) _____ | _____

Note that all efforts will be made to honor elective choices, in particular those for music extra-curricular(s), but, like all NHS students, we cannot guarantee any schedules due to the size of our school and overall course options and period availabilities across subjects, programs, levels, etc. Notes about graduation requirements are to help with overall planning and need to be part of dialogues with your specific counselors. Advanced course sequencing ensures MME requirements are met for core courses. Heed in particular Health (.5), Civics (.5), Economics (.5), Physical Education (.5), and VPAA (1.0) requirements during four-year planning. Acknowledge prerequisites outlined in NHS Course Catalog.

Final note on [Pamoja](#): Full DP students can consider the Pamoja courses listed above that are supported by NHS; based on current costs, for the 2019-20 school year there will not be an additional cost for a full DP student to enroll in one Pamoja course, integrated into your schedule for an earned credit of a G. If Pamoja increases their annual tuitions, however, a surcharge could be assessed.
