2018-2019 ATHLETIC PASSES

The extracurricular activities of Concordia Lutheran High School are recognized as having a positive influence in the growth of students as well as contributing to the success of our school. For this reason we are asking all parents, if possible, to support the athletic program by purchasing athletic passes. Benefits of purchasing athletic passes are as follows:

- The income from passes helps support the 21 athletic teams at CLHS.
- All income from passes remains at CLHS for the use of our athletic program.
- All-Sport Pass holders may attend all of our regularly scheduled **home** events at no additional charge. This includes both boys and girls events at all levels - - Freshman, Reserve, and Varsity.
- Passes may be purchased individually as listed below, or may be purchased under the **Family Plan**. The maximum fee for **immediate family members** (this includes parents, high school students and unmarried siblings) to have his or her own All-Sport Pass is \$185.00. (Single parent family - \$135.00)

Athletic passes will be available for purchase at Registration. They may also be purchased any day in the Athletic Office or they may be ordered through the mail. Please detach the form below and use it when purchasing your athletic passes!!
