Purpose

Campus Connections purpose is to offer an on-site enrichment program providing childcare before, and after school. Programs are also available with Campus Connection during most of the Winter, Spring & Summer breaks. Campus Connections program is a positive “connection” between school and home providing:

1. Academic assistance
2. Enrichment activities
3. Recreational and sports activities
4. A nutritious snack
5. Opportunities for children to develop friendships
6. Positive role models
