

FLORESVILLE ISD

2019 SUMMER YOUTH CAMPS

Floresville High School summer camps offer fun and exciting programs for youth interested in sports. Our camps are open to all incoming 3rd through 8th grade boys and girls. Some sports will offer camps for incoming 9th graders as well. All of our camps will start by helping your child build a knowledge base for their respective sport. For the first-time players, training will be given to show the proper technique and fundamentals needed to play the game. For the more advanced players, focus will be on skill perfection.

Athletes will be placed into proper skill level groups as the coaching staff fosters teamwork and self-confidence to maximize the full realization of each player's potential.....all in a fun and safe environment. All camps will be four days long filled with fundamental drills and ending with skills competition and games. Camps will be supervised and led by an outstanding staff of high school coaches that specialize in teaching not only sports, but also sportsmanship.

All participants will receive a camp t-shirt for each camp they attend.

Cost of camp is \$50 per child, per camp OR a discount of \$75 per family (all family members must be attending the same sports camp for that week. Example: 2 kids at football camp = \$75, 1 kid at basketball, 1 at baseball = \$100)
