

Dear Business Owner:

St. Francis Xavier School has been a part of and an asset to the Cross Plains community since 1857. We have an enrollment of approximately 130 students in 4K through 8<sup>th</sup> grade. The St. Francis Xavier Home & School Association will be hosting our 16<sup>th</sup> Annual Golf Outing on Wednesday, May 15, 2019, at Lake Wisconsin Country Club. Funds raised by this event will help us continue our mission to put new technology in the hands of students and teachers, enhancing the educational experience and encouraging students to engage in hands-on learning experiences that focus on the areas of science, technology, religion, engineering, art and mathematics (STREAM). This year, we will use the funds generated to create a makers space lab within our school that will provide a space for STREAM projects to take place.

We are asking area businesses to help by sponsoring a full or half hole. Signs listing our course hole sponsors will be posted at church the weekend before, and on the course the day of the event. Your name would also appear in the golf outing dinner booklet. Alternatively, we are accepting raffle and silent auction items including gift certificates. Please note that all donations will be published in the golf outing dinner booklet distributed that evening and in our Church Bulletin which reaches 500 families weekly.

On behalf of the students and staff at St. Francis Xavier School, we thank you in advance for your support of our school. This is an excellent opportunity to promote your business, give back to the community, and help a local school continue to thrive.

Home & School Association Golf Committee
