**Discrimination/Hazing/Harassment/Bullying:**

To promote and maintain the educational objectives of the school system, hazing, harassment, and discrimination of students will not be tolerated. Students violating these policies will be subject to disciplinary action up to and including expulsion from school. Coaches and other employees of the school system shall not encourage, permit, condone, or tolerate hazing activities as part of the athletic program (Policy 5-12,5). Rutherford County policies regarding these topics may be found in the Rutherford County School System's Code of Behavior and Discipline. Students shall be provided a safe learning environment. It shall be a violation of this policy for any student to bully, intimidate or create a hostile educational environment for another student. Bullying and intimidation are defined as either physically harming a student or damaging his/her property, or knowingly placing the student in reasonable fear of such, or creating a hostile educational environment. This includes cyber-bullying, a form of bullying undertaken using electronic devices. This includes, but is not limited to, telephones, cellular phones, or other wireless communication devices, text messaging, emails, social networking sites, instant messaging, videos, websites, or fake profiles. The policy addresses conduct taking place on school grounds, at any school-sponsored activity, on school-provided transportation, or at any official school bus stop immediately before boarding and immediately following deboarding. Alleged victims of the above-

referenced offenses shall report these incidents immediately to a teacher, counselor or building administrator. Any allegations shall be fully investigated by a complaint manager. The privacy and anonymity of all parties and witnesses to complaints will be respected. However, because an individual's need for confidentiality must be balanced with obligations to cooperate with police investigations or legal proceedings, to provide due process to the accused, to conduct a thorough investigation or to take necessary action to resolve a complaint, the identity of parties and witnesses may be disclosed in appropriate circumstances to individuals with a need to know. A substantiated charge against an employee shall result in disciplinary action up to and including termination. A substantiated charge against a student may result in corrective or disciplinary action up to and including suspension. There will be no retaliation against any person who reports or participates in an investigation. However, any employee who refuses to cooperate or gives false information during any investigation may be subject to disciplinary action. An employee disciplined for violation of this policy may appeal the decision by contacting the director of schools.

Any student disciplined for violation of this policy may appeal the decision in accordance with disciplinary policies and procedures. This policy shall be published in the parent/student handbook distributed annually to every student. Building administrators are responsible for educating and training their respective staff and students as to the definition and recognition of discrimination.

### **Dress Code:**

Oakland High School students are expected to dress and be groomed in such a way as to reflect neatness, cleanliness, and good taste. Student dress should not distract or cause disruption in the education program or orderly operation of the school. School administrators will be responsible for determining dress code violations. Administration reserves the right to amend any provision that he/she deems to be in the best interest of the student or the educational process.

- Shirts must cover the entire waist, shoulders, chest, and back.
- Shirts with the neckline beginning below the crease of the armpits are determined inappropriate.
- Sheer clothing may be worn only if clothing beneath meets dress code requirements.
- Tank tops, spaghetti straps, muscle shirts, and off-the-shoulder tops are not permitted.
- Clothing and accessories containing inappropriate language; advertisement of drugs, tobacco, alcohol, or sex; suggestive

lettering or pictures advocating/glorifying death and/or violence; are prohibited.

- Pants, shorts, or skirts that do not remain at the natural waist are inappropriate (*i.e. if a student must hold his/her pants up to walk*). NO SAGGING!
- Pants, shorts, or skirts must extend from the natural waist beyond the fingertips of arms extended at the sides.
- No clothing with holes, tears, or rips above the student's fingertips will be permitted unless skin is covered. There can be no exposed skin above student's fingertip. This includes pants or leggings with see through mesh.
- Form-fitting clothes (dresses, leotards, Spandex, Lycra, leggings, jeggings, yoga pants, etc.) **MUST** be covered appropriately. This includes clothing underneath sheer clothing.
- Pajama tops and bottoms, house shoes, and blankets are not school attire and should not be worn or brought to school.
- Hats, hoods/hoodies, hair rollers, picks, combs, and sunglasses may not be worn in any building. Head bands are acceptable however, anything that covers the crown is not permitted.
- Bandanas and clothing with bandana print are not allowed.
- Any student wearing clothing or accessories that cause a distraction or disruption in the school day will be addressed by administration.

*\*All clothing should meet and stay within the above standards with undergarments, including gym and athletic shorts, remaining unseen during normal daily activities (walking, sitting, bending, etc.) with determination at administrator discretion.*

**Disciplinary Action** for dress code violations includes, but is not limited to:

1. The staff will refer to administration.
2. Student will be instructed to change into appropriate clothing.
3. Student will call the parent or guardian for proper clothing.
4. If appropriate clothing is not acquired, the student will be placed in ISS for the day.
5. Continued violation will result in further discipline.

### **Fines/Debts to School:**

*(RCBOE Policy # 6.709)* Students who destroy, damage, or lose school property, including but not limited to buildings, school buses, books, equipment, and records, will be responsible for the actual cost of replacing or repairing such materials or equipment.

**The grades, grade cards, diploma and/or transcript of a student** who is responsible for vandalism or theft or who has otherwise incurred a debt to a school **will be held until the student or the student's parent/guardian has paid for the damages.** When the student and parent/guardian are unable to pay the debt, the district shall provide a program of voluntary work for the minor. Upon completion of the work, the student's grades, diploma, and/or transcripts shall be released.

Failure to remit the cost of replacing or repairing such materials or to make satisfactory arrangements with the administration for payment may result in suspension of the student. If payment is not remitted, the matter will be referred to the Board for final disposition.

Textbooks are available for student use at no cost. Parent(s) will accept full responsibility for the proper care, preservation, return, or replacement of textbooks issued to the student(s). The condition of each book and a book number shall be recorded by the teacher issuing it.

**Charges for lost books will be the replacement price of the book.**

Damage fines will be based on the wear beyond that normally expected for one year.

Fines may be assessed for overdue, damaged, or lost library books. In no event will the fine exceed the current cost of replacing the book.

**Forgery/Misrepresentation:**

Forgery of a note and/or signature of another person (*i.e. school personnel, parent, doctor, or others*) will not be tolerated. Students practicing this behavior are subject to ISS, OSS, or other disciplinary action.

**Fire, Tornado, & Earthquake:**

Instructions for drills and emergencies are posted in each classroom.

When the National Weather Service issues a tornado watch, schools will bring in students from portables and other outside buildings. Classes will continue as usual. During a tornado watch, parents who wish to pick up their children early may do so, and the absence will be excused.

In most cases, tornado watches are only precautionary, and we recommend students remain at school because it's important for students to be in class. If a tornado warning is issued by the National Weather Service, all schools will go to a weather alert status, which means that students, employees, and visitors will be moved to safe zones within the school. Students can be dismissed to parents after the tornado warning has been lifted by the National Weather Service. In the meantime, we will ensure visitors have access to the schools, and there will be signs posted to direct them to a safe area.

Please be aware, we do not release students during a tornado warning for two reasons: it is generally safer for a student to be in a safe zone within a school than to be in a car during a tornado. Secondly, our office staff will also be in their safe zones, and unable to sign out students to parent/guardian.

**Inclement Weather:**

School may be closed due to inclement weather. Students and parents should listen to the radio, television, and school messenger to receive the latest information regarding the closing of schools. Information is also posted on the OHS and RCS web pages. Parents should use their own discretion about sending their children to school.

*(RCBOE Policy # 1.8011)* The Board authorizes the director of schools to close schools in the event of hazardous weather or any other emergency which presents a threat to the safety of students, staff members, or school property.

As soon as the decision to close schools is made, the director of schools will notify the public media and request that an announcement be made. If school is not in session or is dismissed early due to snow or inclement weather, all scheduled activities in which students are involved may be postponed or cancelled.

**Counseling:**

School counselors aid students with educational and career goals as well as assist with personal development. Counselors serve students by alphabet.

**Lost & Found:**

Oakland High School is not responsible for lost or stolen personal property. Students should not bring large amounts of money, or other valuables to school. Any student who finds a lost article should turn it in at the main office or annex office as soon as possible.

**Lunch Time Restriction:**

During his/her scheduled lunch period, a student may choose to eat in either the annex cafeteria, main cafeteria, or courtyard, but he/she may not move between eating areas during lunch. Restricted areas during all lunch periods include, but are not limited to the following: vehicles, parking lots, academic departments, hallways, K-L-M buildings, gym, and the front or sides of the main building. In addition to these areas, students may not sit or congregate at the entrances to the buildings.

### **Pep Rallies:**

Students who have OSS or ISS for defiance, disrespect, or altercation will not be permitted to attend pep rallies. Students not participating must stay in designated areas under supervision. Students who choose to attend should observe the following guidelines.

1. Students must stand with their own class.
2. **No objects can be thrown.**
3. Students should stand respectfully during the Alma Mater.

\*Students who do not go to pep rallies will need to report to the main or annex cafeteria.

### **Plagiarism:**

**Plagiarism is defined as taking another person's ideas, words, phraseology, or concepts and presenting them as his/her own.**

**Plagiarism includes, but is not limited to, the following:**

1. Copying or purchasing another's entire paper and claiming it as one's own.
2. Copying (cutting or pasting) a part of another's paper and claiming it as one's own.
