

June 1, 2019

Dear Eyler Families,

We are nearly done with school and this will be our last full week of school and our last day is Wednesday, June 12th. The 12th is also a ½ day of school with students being dismissed at 11:30.

Just a reminder that during Field Day the high school marketing class will be selling items and also Mrs. McDowell will have the white Airport Jets sunglasses on sale Thursday, Friday and also Monday at Field day for \$5 each. I have attached a price form for the marketing class items.

Finally, parents please be sure that you read with your children for 20 minutes and ask them every day what new things they have learned at school.
