- 11/29/18 – Open School Eve 5:00-7:30pm
- 11/30/18 – End of Marking Period 2/Open School Day 12:48-2:48pm

Making the most of Open School

Newtown High School's Open School sessions are fast approaching! The school has planned a session in the evening (Thursday 11/29) as well as the afternoon (Friday 11/30) in attempt to fits everyone's schedule. Each session lasts a little less than three hours. While it seems like a long time teachers will be trying to give each parent individual attention for a couple minutes so there may be wait time. To make the most of Open School sessions we recommend coming early in the session with your child's schedule in hand. Teacher room numbers will be provided for parents and guardians at the school's entrance

Lunch Forms

Please apply for your child's free lunch. This is available to every single student within the Department of Education. It is easier than ever to apply online.

www.myschoolapps.com

Need assistance or have questions? Call SchoolFood Customer Information: (877)363-6325

If you would like a paper form, send your child to room 149 to see Mr. Levitan.

PupilPath

Some of our NGA Parents may have had PupilPath in their child's middle school, but many of you may be new to it. PupilPath is a website that teachers post your child's progress, grades progress reports, transcripts, attendance/cuts/lateness, and behavioral reports. It is private to the teacher, student and student's parents. To access your account you need the passcode which Ms. Zapata the Parent Coordinator will have. Then visit the Newtown High School website (<http://newtownhighschool.org>), click on the link under the headline "Parent Portal" and then "PupilPath."

Saturday Academy

Saturday Academy offers credited classes and tutoring in a variety of subjects: English, Living Environment, Algebra, US History, Spanish and Gym. In addition, Living Environment lab make-ups are also available on Saturday. This is a great time for students to receive small group instruction to review concepts from class, make-up classwork or homework, ask questions, study for upcoming exams, or practice weak skills.

Saturday Academy is every Saturday (unless otherwise noted). Students can create their own schedule, only attending sessions in classes that they feel they would benefit from. Lunch is provided. MetroCards are available for students that need them on Friday from Ms. Thompson's office.

New to Saturday Academy is English Language Learners classes to parents of students! For more information please contact Ms. Zapata, Parent Coordinator with questions.
