Student Accident Insurance

Why Bollinger Specialty Group?

Bollinger Specialty Group, has been proudly administering Student Accident Insurance for 70 years. We have become known as a leader in the industry with experience protecting over 36 million students since 1946.

Key program features that differentiate us in the marketplace include:

Carrier Relationships

We have built strong relationships with several carrier partners. As a result, we are able to provide numerous market options, which will allow you to select a program that works best both in terms of cost and plan design. All of our carrier partners are rated "A" or better for financial strength by A.M. Best.

Service

Relationships are the lifeline of our business; by not outsourcing our services, we make sure our clients receive the attention that they deserve. Our experienced team of in-house claim professionals, account managers, program administrators and underwriters are dedicated to providing you with the best possible service.

No Outsourcing of Claims

Our claims are administered in-house to ensure a level of exceptional service. We do not outsource. There is only one place to go to have all your questions answered.

Enhanced Claim Reporting Capabilities

We provide our clients with monthly, bimonthly or quarterly reports. Our enhanced claim reporting capabilities serve as a great tool to assist in risk management and cost-containment efforts.

Online Access to Student Accident Claim Status

Parents can easily and conveniently check the status of their child's claim from any computer or tablet, offering more control for the parents while reducing the volume of claim inquiries to district administrators.

SCHOOL ACCIDENTS

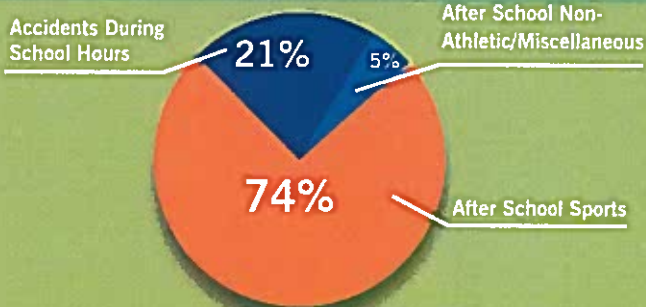

IMPROVING SAFETY BY KNOWING YOUR NUMBERS

Bollinger Specialty Group's proprietary enhanced claims system revealed the top K-12 student accident activities and injuries for the 2015-2016 school year. Protecting the health and welfare of students is a concern that all school administrators face each and every day. Getting a better handle on what activities are causing the most accidents can help your school put a plan in place to reduce the potential for injuries.

By using data from our enhanced claims system, below are claims percentages from the 2015 - 2016 school year.

ACCIDENT CLAIMS

CALCULATE YOUR WAY TO SPORTS SAFETY

These are the top 3 sports that contribute toward the total number of claims.

DON'T DISCOUNT CLASSROOM

21% of claims occurred during school hours and 16% of those claims were from accidents during gym class and on the playground.

TALLY UP THE INJURIES

These top 2 reported injuries make up almost half of the total claims.

COUNT ON A PLAN

Now that you've seen the numbers, here are some steps your school can take to help reduce accidents.

- 1 Form a safety committee of staff and students.
- 2 Create a set of schoolwide safety rules.
- 3 Implement safety training for all students.
- 4 Conduct regular inspections and repairs of facilities.
- 5 Enforce safety and play by the rules.

Bollinger Specialty Group offers individual reports for our school clients. Contact us today by e-mailing BollingerSpecialtyGroup@ajg.com and see how your school measures up.
