Summer Academy Information

Our summer academy is expanding! We are excited to invite a lot of students to our summer program that have never been asked to attend before. Our summer academy is an opportunity for students to continue to refine, build upon, and maintain reading, writing and math skills over the summer. We want our students to shine as they enter the next grade level. Our teachers and students have worked very hard throughout the year. Think of this as a continuation of their efforts!

- Invites are to be returned by **June 7th** in order for us to begin setting up the program.
Bussing is provided!

Summer Academy runs **Monday—Thursday**; 8:30 a.m. to Noon

Dates: July 15th—August 8th
