Star Party December 7

Over the past 4 years, we have partnered with the Texas Astronomical Society to provide the Puster community an opportunity to view celestial objects through the use of their telescopes. We are very pleased to offer to another Star Party on Friday, December 7. If you would like to stop by between 6:30-8:30 pm, we would love to provide you with a cup of hot chocolate and an opportunity to star/planet gaze. This is a free come and go event and is dependent upon cloud cover. Parking will be available in the front parking lot. You will enter through the front doors and make your way to the courtyard and on to the playground where the telescopes will be set up. Hope to see you here!
