

Date: Thursday, January 10, 2019

Attention Parents and Guardians,

This year (2018-19) Waimea Elementary School Parent-Teacher conferences were held over a two-day period with school completely closed to students during those days. We would like your input as to whether you would prefer that format over the previously held format of early release of students (1:15 daily) over a ten day period for the 2019-20 school year.

**\*Please fill out this form completely and promptly return to your Child's Teacher by January 17, 2019:**

*We would prefer having the school closed for two days to accommodate Parent-Teacher Conferences.*

*We would prefer having school end at 1:15pm daily for a period of ten consecutive days to accommodate Parent-Teacher Conferences.*
